I. Database Information

Database name	
Data supplier	
Procurement date	_____ (year) _____ (month) _____ (day)
Funding arrangement	Research Area funding: 3/4; my own contribution: 1/4 (charged to my individual research budget)
Storage location	CEIBS official website (China and the World Research Area webpage)

II. Matters to Which I Consent

As the first contributing faculty member for this database, I voluntarily sign this Consent Form and confirm and agree as follows:

1. I agree that this database shall be centrally stored and managed by the China and the World Research Area.
2. I agree that the database shall be made available to faculty members in the China and the World Research Area one year after the procurement date (i.e., _____ [year] _____ [month] _____ [day]). The access list may be updated as members join or leave.
3. I understand and agree that, once the database is made available, faculty members using it need only comply with the provisions of its original procurement contract and are not required to sign any additional coordination documents with me, the Research Area or the Library.
4. As a user, I shall strictly comply with all provisions of the original procurement contract throughout my use of the database, including but not limited to the following: the data is for my own use only and must not be provided, copied, assigned or transferred to any other person in any form; it may be used only for non-profit academic research without political purposes and may not be used for commercial purposes; I shall comply with applicable laws including the National Security Law, the Cybersecurity Law, the Data Security Law, and the Personal Information Protection Law; and research outputs must identify and acknowledge the data source.

5. I acknowledge that the China and the World Research Area, as custodian, has the right to provide database access to eligible faculty members in accordance with this Consent Form.

III. Responsibility

If I breach this Consent Form or the original procurement contract, I shall personally bear the resulting liability and consequences, without implicating the School or the China and the World Research Area.
